

Forest Herbicide Internet Resources

(October 3, 2011)

Educational Resources

- <http://psep.cce.cornell.edu/> (pesticide safety)
- <http://pims.psur.cornell.edu/> (product information)
- <http://pmep.cce.cornell.edu/regulation/2ee/index.html> (special labels)
- <http://www2.dnr.cornell.edu/ext/info/pubs/VegatationMgmt/PA%20herbicides&forestvegmgmt.pdf>
(Penn State Forest Herbicide education manual)
- <http://www.dec.ny.gov/chemical/298.html> (NYSDEC general pest mgmt.)

Equipment *(listing of vendors is not an endorsement; exclusion of vendors does not imply concerns)*

- Back pack mist blower
 - Stihl and Solo make gasoline engine mist blowers
- www.forestry-suppliers.com or www.benmeadows.com (search for “sprayer”)
 - SP2 works well as a backpack sprayer. Solo sprayers are highly regarded.
 - Spraymaster 1 quart sprayer works well for cut-stump treatments
 - Solo 450 mist blower available at Ben Meadows
- CWC chemical, listed below, sells some spray equipment

Chemicals *(check all products against the label information at the “pims” product information site listed in the educational resources)*

- CWC Chemical <http://www.cwc-chemical.com/> (Virginia)
- Alenza, c/o Bill Fisher, 800 360 9333 (Pennsylvania)
- www.forestry-suppliers.com or www.benmeadows.com (search for “herbicide”)
